## KEY ISSUES and NEW LEGISLATION

**\*\*\*THE IRS STATES IT WILL BEGIN ACCEPTING RETURNS ON JANUARY 29\*\*\***

### THE AFFORDABLE CARE ACT

For **2019 and later**, under the Tax Cuts and Jobs Act, the amount of the individual shared responsibility payment is reduced to zero. There is no penalty for not maintaining "Minimum Essential Health Care Coverage."

### OTHER ISSUES

- **FEDERAL CHILD TAX CREDIT** The Federal Child Tax Credit remains at \$2000.00 for each qualifying child.
- **STANDARD DEDUCTION** The Federal standard deduction has increased. Unreimbursed *employee* business expenses are no longer allowed on your *federal* return beginning with tax year 2019, going forward. They continue to be allowed on your state return. You should continue to account for them in an effort to itemize your deductions on your state return. The state and local tax (S.A.L.T.) portion of your federal itemized deductions is limited to \$10,000.00. SEE IRS.GOV FOR INFO REGARDING THE 2023 STANDARD DEDUCTIONS.
- **ALTERNATIVE ENERGY CREDITS** (Residential Energy-Efficient Property Credit) – FEDERAL CREDIT IS INCREASED TO 30% of cost. NY State credit is 25%, up to \$5000.00. (qualified solar electric property and water heating property). Installation costs *do* qualify.
- **2023 RESIDENTIAL ENERGY CREDITS - IMPORTANT FOR PLANNING PROJECTS:** New increased credits are available beginning in 2023. SEE [https://www.energystar.gov/about/federal\\_tax\\_credits](https://www.energystar.gov/about/federal_tax_credits) and <https://www.irs.gov/credits-deductions/home-energy-tax-credits>
- **2023 ELECTRIC VEHICLE CREDITS:** SEE <https://www.irs.gov/credits-deductions/credits-for-new-clean-vehicles-purchased-in-2023-or-after>
- **BUSINESS/STANDARD MILEAGE RATE** 65 cents per mile for business (self-employed) mileage. Again, this expense, as well as any other *EMPLOYEE* business expense, is not allowed as an itemized deduction on the federal return. See *Business Mileage & Expenses* under "substantiation," below.
- **EDUCATION CREDITS** The American Opportunity and Lifetime Learning Tax Credits remain intact for tax year 2023. Be sure to obtain a **1098-T** from the school, **as well as a record of payments which includes date of payment**, and retain receipts paid for books/equipment/materials needed (Amer Opportunity Credit only). A computer/printer will qualify if the computer is needed as a "condition of enrollment or attendance" at the school.
- **RETIREMENT SAVERS CREDIT** For voluntary contributions to 401k, IRA, etc. Small credit. Phases out, based on income and filing status.
- **EDUCATOR EXPENSE DEDUCTION** The deduction remains at \$300.00 for tax year 2023.

**SUBSTANTIATION** – The IRS will disallow and can impose both civil and criminal penalties on unsubstantiated claims. Naturally, receipts are needed to back all claimed expenses. The following are some specific areas that are regularly analyzed:

- **Business Mileage & expenses:** Business/self-employed taxpayers MUST maintain a mileage log. Record the beginning odometer reading and ending odometer reading (beginning of year and end of year or period of business use), daily business mileage, and tally the total business mileage for the year and present it to your preparer. Please call if you have any questions on mileage that qualifies, which can be referenced at **irs.gov**.
- **Charitable Contributions:** IRS states that if audited, they will disallow any charitable donations for which you do not have a receipt, cancelled check or letter from the charitable organization. For our records:
  - **Cash donations:** write down the total.
  - **Non-cash donations totaling less than \$500.00:** write down the total.
  - **Non-cash donations totaling more than \$500.00 for the year:** Need date for each donation, description, fair market value (search "Salvation Army Valuation Guide"). Also search Schedule A and Form 8283.
- **Earned Income Credit:** Particularly analyzed by the IRS and NY State if you are self employed and claim this credit.
